Thanks to the Father, the Son and the Holy Spirit for adopting us as children and for giving us the chance of being His ambassadors on earth.

This book is dedicated to all those who want to know God and experience eternal life. To those who have heard inside themselves a call to be His, but still have to receive a deeper word, in order to make the biggest decision of their lives. May God bless you.

Introduction

“He came to that which was his own, but his own did not receive him. Yet to all who received him, to those who believed in his name, he gave the right to become children of God – children born not of natural descent, nor human decision or a husband’s will, but born of God” (Jn. 1: 11-13).

In *Jn. 3: 16-18*, the bible says: “For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. Indeed, God did not send the Son into the world to condemn the world, but in order that the world might be saved through him. Those who believe in him are not condemned; but those who do not believe are condemned already, because they have not believed in the name of the only Son of God.”

In *Rom. 10: 9-10* it is written: “because if you confess with your lips that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. For one believes with the heart and so is justified, and one confesses with the mouth and so is saved.”

Also it is written in *1 Jn. 4: 1-6*: “Beloved, do not believe every spirit, but test the spirits to see whether they are from God; for many false prophets have gone out into the world. By this you know the Spirit of God: every spirit that confesses that Jesus Christ has come in the flesh is from God, and every spirit that does not confess Jesus is not from God. And this is the spirit of the antichrist, of which you have heard that it is coming; and now it is already in the world. Little children, you are from God, and have conquered them; for the one who is in you is greater than the one who is in the world. They are from the world; therefore what they say is from the world, and the world listens to them. We are from God. Whoever knows God listens to us, and whoever is not from God does not listen to us. From this we know the spirit of truth and the spirit of error.”

Other text is in *Matt. 7: 15-23* and says: “Beware of false prophets, who come to you in sheep’s clothing but inwardly are ravenous wolves. You will know them by their fruits. Are grapes gathered from thorns, or figs from thistles? In the same way,

every good tree bears good fruit, but the bad tree bears bad fruit. A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Thus you will know them by their fruits. Not everyone who says to me, 'Lord, Lord', will enter the kingdom of heaven, but only the one who does the will of my Father in heaven. On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many deeds of power in your name?' Then I will declare to them, 'I never knew you; go away from me, you evildoers.'"

Let's finish the explanation with the text that is written in *Rom. 8: 19-20* and *Rom. 10: 17*. The first says: "For the creation waits with eager longing for the revealing of the children of God; for the creation was subjected to futility, not of its own will but by the will of the one who subjected it" [*the devil*]. The second says: "So faith comes from what is heard [*in some versions, "by preaching"*], and what is heard [*preached*] comes through the word of Christ."

How can we summarize all this?

First, we must believe that Jesus is the Son of God in a human incarnation that led Him to death on the cross to redeem us from our sins. He was the only one able to do this. He was not just a prophet but the Son of God, the second person of the Trinity (Father, Son and Holy Spirit; *1 Jn. 5: 7*). *Second*, He gave us eternal life, dying *only once* for our sins (*Heb. 9: 27-28*) and this faith comes to our hearts when we hear the word of God. Through this faith, when we do what is written in *Rom. 10: 9-10*, *declaring Him aloud* as our only Lord and Savior, excluding all other gods, we receive His Holy Spirit into our spirit and we are born again, as Jesus said to the Pharisee Nicodemus, "no one can enter the kingdom of God without being born of water and Spirit... What is born of the flesh is flesh, and what is born of the Spirit is spirit" (*Jn. 3: 1-15*). Our

verbalization is necessary, for it is through the word that the spiritual world records what we want and manifest it in our lives. That's why God in creating the world spoke His word. He said, "Let there be light" and there was light. *Third*, we must believe that God raised Him from the dead, for the resurrection was the landmark of the work accomplished on the cross, that is, through it Jesus defeated the law and the death, the sin, the devil, the flesh and the world. *Forth*, be willing to abandon all other doctrines, religious concepts and objects of veneration, as well as all habits that you have had until today and that have been learned from the world. Whoever is born again in Christ becomes a new creature, by the power of the Holy Spirit; changes its attitudes, therefore, leaves the things of sin and the way it behaved before and begins to be more interested in the things of God, seeking, now, the sanctity of life. *Fifth*, please, understand what is written in *Heb. 9: 27-28*, "Just as people are destined to die once, and after that to face judgment, so Christ was sacrificed once to take away the sins of many; and he will appear a second time, not to bear sin, but to bring salvation to those who are waiting for him." There is no reincarnation, only this life ("Just as people are destined to die once"). Therefore, don't neglect the chance the Lord gives you today to be saved.

Many speak of Jesus, but not with this vision in mind, so they are deceived, thinking they will gain eternal life by other means. After we believe and accept Him as the only Lord of our lives, abandoning any doctrine and delivering ourselves totally into His hands, then, yes, we are ready to be considered true children of God (*Jn. 1: 12-13*).

If you have not yet understood this, try to hear Jesus' call to your life in some of these messages. If, by any reason, you have strayed from the ways of the Lord, hear His call again and come back to the sheepfold.

So if you want Jesus as your only Lord, repeat this prayer aloud: "Father, in the name of Jesus, I declare that I believe in

the sacrifice of Jesus on the cross to save me, and in His resurrection. Therefore, I ask forgiveness for my sins and the same blood that was shed on the cross may cover my whole life and purify me from all sin and injustice. I confess Jesus as my only Lord and Savior and receive your Holy Spirit into my heart so that from now on I can be transformed into the person that you want me to be. Straighten my ways, Lord. Write my name in the Book of Life and make me a participant in your eternal inheritance. In the name of Jesus, I break all ties I have with darkness. Amen.”

May the blood of Jesus be on your life.

1

Do you want to overcome the obstacles and see your life from above? Just accept my help and the challenge to walk with me, even though many times my methods seem daring and risky. However, I like the brave, because I can walk with them beyond the limits. I call you today to accept new challenges, to leave what seems safe and known to you. I wish to lead you to a new level, where you will no longer be a slave, but king. I want to make you a pioneer of new lands and a worker for the kingdom of God. Do you accept the challenge? Answer *yes* to my call. I want to make you a child of mine, no longer a mere creature shaped by my hands. For that, give me your life and you will not be disappointed, but you will see that the eternal life delegated to those who accept me as only God is real and will lead you to know who you are and what you came to accomplish on earth. I'll tell you my secrets and you will have the right to participate in my banquet every day. My word says: "For all who are led by the Spirit of God are children of God. For you did not receive a spirit of slavery to fall back into fear, but you have received a spirit of adoption. When we cry, 'Abba! Father!' it is that very Spirit bearing witness with our spirit that we are children of God, and if children, then heirs, heirs of God and joint heirs with Christ – if, in fact, we suffer with him so that we may also be glorified with him." That's what I want to give you, a kingdom. Call unto me, hand me your life and my Spirit will make dwelling within you to no longer leave you.

2

Seek me and you will find me, when you seek me with all your heart.

Seek me for what I am, not for what I can give you or give you back.

Seek me to know the secrets of my heart and to understand my will.

Seek me to be full with my love and to overflow it on the needy and afflicted around you.

Seek me and you will find the wisdom to reign in the midst of my people.

Seek me to be touched and to touch me in my essence.

Seek me to know how to please me and to know my secrets of victory.

Seek me as consolation, strength, refuge, judge, lawyer, savior and defender.

Seek me, for I am the Father and you are my son.

What value is there in searching peace and comfort in futile things and in transient and misleading pleasures? I am your true source of peace, life, prosperity and comfort. Today, if you hear my voice, don't harden your heart, but let me touch it with the deliverance it needs. If you confess your sins, I am faithful and just to forgive them and my blood cleanses you from all unrighteousness. I have new ways for you, new things that I will show you.

When you listen my voice and my call carefully and when your mouth says, 'Here I am', then you will feel truly a chosen, separate to teach my people the difference between the holy and the profane. I will make you a special vessel of honor and a leafy and fruitful tree where many will nest in its branches. Everything you do on earth affects many lives. Many are waiting for your decision, in order to be released, healed and prosperous. Come to me.

“Then Jesus said to the Jews who had believed in him, ‘If you continue in my word, you are truly my disciples; and you will know the truth, and the truth will make you free ... So if the Son makes you free, you will be free indeed ... Very truly, I tell you, whoever keeps my word will never see death.’” (*Jn. 8: 31-32, 36; 51*)

Son, you have sought refuge and solace in places barren of wisdom, in places full of darkness, sophistries, deceit and lies that have brought great harm to your life. Your thoughts are troubled and what you call light, actually, is a great darkness. Open your heart today to my word and let my Spirit touch you with the release it needs. You'll see that the feeling of death that besets you will go away and you will discover that only in me you'll find *LIFE*. I'm in front of you with my arms outstretched to receive you as a son. Resist the devil and he will flee from you. Cry out for my light and my forgiveness. Acknowledge your sins and abandon the paths where you have been. Say today, “Father, I want to see,” and I'll come into your house and will eat with you and you with me.

I am waiting for you to a long conversation. It's frank talk that brings comfort, revelation, truth and freedom. Don't behave like others who see me, but pass afar, straying from my path. I separated this moment for you, for you are special to me. I have watched and called you. I wish to invite you to a party where my table is plentiful and is eternally laid for those who wish to have fellowship and communion with me. My word is the true food for your soul and will never end. You have heard lying words that have taken your peace and brought doubt and uncertainty to your heart. But fear not. Today, I have word of life and truth that will bring you deliverance and will light your ways. Take some time for both of us and you'll have an experience unlike anything you have lived until now. Do you believe in me? So, accept the challenge and I will not frustrate your dreams or sadden your heart. Instead, I will fill you with joy, peace and security.

Mine are judgment and righteousness, mine are gold and silver, mine is love and mine is the light that I desire to shed on the hearts of all who seek me with innocence, sincerity and humility. I have sought simplicity in the midst of my people, but the barriers of religiosity prevent them from knowing my altar. Strip yourself of religiosity and formalities and come to me in a simple and innocent manner as David did.

Don't urge me to leave you or to turn back from following you! Where you go I will go, and where you lodge, I will lodge; your people shall be my people and your God my God. Do you remember the statement of Ruth? She left everything to make her mother-in-law happy, so I blessed her and brought rescue and protection over her. I have called you, daughter, to leave everything that is known and customary for you, to show you something new and different that will bring you rescue, protection and perfect covenant with me. Give up what until now has been valuable for you, for I will reveal to you what is truly precious. Until now you felt neglected and unproductive, but I'll show you how to be fertile and owner of a large piece of land. In what you were dishonored, you will have double honor and the fruit of your work will show to other lives that I am a faithful God and of real rewards. Ruth sought protection in the correct place. My arms are open to welcome you and protect you. Come to me. All that the Father gives me will come to me, and whoever comes to me I will never drive away.

In my kingdom there are no lonely or empty places, nor loneliness. There is only an invitation to leave the world and the companionship with sin in order to be in private communion with me. Every day I desire communion and dialogue with you, but you are afraid and flee from my presence for fear of what you'll hear. Know now that what I have to tell you are not words of accusation, because I judge no one, but words of salvation and life, for I came to save and rescue who is lost. Today, I wish to talk to you. Open your heart to receive my love, for I'm longing for your healing and restoration. Take away the hard masks that you were obliged to use and show me your face. I already know how your face is. I just want you to see it too. Come back to my ways and I will lead you to the victory that you aim so much. It was for the victory that I planned you.

I am standing at the door, knocking; if you hear my voice and open the door, I will come in to you and eat with you, and you with me. I'm at your door. I have knocked and waited for your voice inviting me to come in. I am different from all that you let enter there. I bring peace and rest, life and abundance. I restore, strengthen and give back what was stolen and lost. When you hear my voice, don't harden your heart, but acknowledge my light and my truth. Be brave and accept the challenge that I offer you today. The fights will come, but I'll be by your side to help you win. And every enemy that you win, you will not see anymore. With each victory, you'll have increased in your heart the trust in me and you'll have true knowledge of who I am. Those who came before me were thieves and brigands. I am the Good Shepherd and you are sheep of my pasture. I am the door. Enter through me and you will find pasture. I'm faithful to what I say and I will remain faithful to you. Today I want to make a true covenant with you. Open your heart to my call. Your time has come; it's your turn now.

You have cried for peace and light in your ways, so I bring today the word of truth to your heart and that will put you before a choice. Only one path will lead you to the peace and the light that you desire. Don't fear. I myself will help you to choose. You can no longer stand between two options. One of them leads to holiness and victory. The other is a path of destruction. You already know what is right; however, you have fear of surrender and you doubt where this path leads. I am the way, the truth and the life. Do you doubt where it is going? It's I who guides you. When I make you lose something, it's because it is no longer useful to you and has hindered your growth. I have much more to give you and restore. You have to look through the eyes of the spirit, because the eyes of the flesh deceive you. Do you want me to touch your eyes today? I'm in front of you and my hands are stretched. I want to hear your voice saying, "Lord, I want to see again." You will be surprised with what I can do in your life.

When you wander through places that seem gray and devoid of life, remember to look at the sky where the sun shines forever and you will recognize that my presence is important to you, that my heat warms you and that my understanding will be always illuminating your ways. What you have been through is not hidden from my eyes, but what happens is that I am waiting for your prayer, your cry and your sincere supplication to be able to act. Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light.

When you do not know which way to go, stop and listen to the voice that tells you: “This is the way, walk in it”. My peace is the ruler in your heart. Love is the strength and the shield to protect you. Faith is the impulse and the encouragement to accept challenges. I give you nothing that you can not win. No path I set before you without giving you the wisdom to choose. The key is to listen, not the voice of the flesh that brings indecision, fear and doubt, however, the voice of the Spirit who gives love, courage and moderation. You have been faced with a choice, but fear not; I’ll give spiritual vision to confirm the correct decision. Do not be afraid of making mistakes, I’ll help you to decide. The surprise and joy will reach your being, and the cry of victory and praise that come out of your lips will overthrow strongholds and will open the floodgates of heaven in your behalf. What you thought was lost, you’ll meet again and you will rejoice, because I’m not God of the dead, but of the living; I am not God who kills dreams and plans, but God who enlivens and accomplishes. I love and protect you. Come to me.

Nature is work of my hands and is proof of my kindness toward the children of men. Observe it and learn from it; it is wise and efficient master. Learn from it the simplicity and surrender, because in nature everything changes. Let me change your heart and your life so that you can walk lighter and free in the ways that I wish to take you. Free yourself from greed, because it impedes the flow of my Spirit and of yours. Birds fly because their bones are light, and boldness and freedom are part of their being. A spirit that loves, dares and dreams of freedom can fly. Only those who occupy themselves with things of the flesh and persist in sin cling to the earth. They are heavy and can not fly. Cast out the heavy luggage and take upon you the wings of my Spirit. Teach others to divest themselves of many things so that they can fly freely with me.

You have disputed many offices because you feel need to be recognized; however, you don't know that in my kingdom the greatest is as a servant, and whoever receives me with the spirit of a child is placed by me on a throne of authority that nothing can steal. I have spoken to you in several ways, including allowing you to pass through humiliation and shame for you to understand that when you seek me with all your heart, I'll be your Father and you will be my son. Show me today that you wish to leave the royalty of the flesh for you to live the royalty of my Spirit forever. Let me be your Lord and you will know what it means to be my servant. I didn't come into the world to be served but to serve and give my life as a ransom for many. If you want to become great, be like a servant. If you want to be first, be servant of all.

Even though you seem to be crawling like a baby; even though you seem aimlessly; even if you seem to be in a ship without direction, remember that it was I who made you and that I have already determined my project and my word of rescue on you. When you remember me in your afflictions and cry out to me with all your heart, I'll hear from heaven, I'll forgive your sins and heal your land. Often, you feel alone and without guidance but today I enter with providence in your life, taking the lead of your boat and taking you in triumph to my kingdom. Just answer *yes* to my call. Don't be afraid or be dismayed, for I will be with you wherever you go.

I know you have fought against forces above your ability and you got exhausted, indeed, in your walk. However, today I'm bringing you a great proposal: let me be born in your heart so that you may know the true meaning of *Being Alive*. You have seen that the things which rejoiced your soul no longer fill your void, because in them there is only death and destruction. The answers you seek for the reason of your existence are in me and in nobody else. Open your heart to my truths and let me pluck off the lies that were sown in there. The joy that you will experience will come to confirm who I really am and what I can do with whoever comes to me. I love you and seek a covenant with you today. Hold my hands and receive my salvation.

Do you want to feel clean from impurities? Do you want to know the truth I have to reveal to you? Then take some time for both of us today, where we can be alone and where you may speak freely about what's going on inside you. It is through an honest conversation between friends, between you and me that you can see clearly what you think, what you feel, what you would like to be, say and do. It is through contact with my word that you will know the truth to your life. I'm calling you to be in my presence, to receive my love, my forgiveness and my instruction. I will instruct you and teach you in the way you should go; I will counsel you and watch over you. Come to me.

Do you want to feel blessed and a chosen one? Do you want to put your heart in my hands and accept my kingdom as it truly is? Don't look at what is around you, which proposes you other facilities to achieve the spiritual growth that you desire; nor listen to those who propose excessive sacrifices for you to come to me. None of the two roads is real. Only in humility and purity of heart you will find my throne. Remember that I lived in flesh like you, and I know the hearts of men more than anyone else. However, I came from my Father to teach them the proper way to be reconciled to Him. Would you like to feel a blessed one? Be humble, cry for my presence in you. Be meek and pure in heart and merciful with your brothers. Have thirst of justice, desire peace and be a peacemaker; especially, be strong to walk in my truth even if it costs you persecution. I am able to guard you from all evil and bring you safely to my kingdom. I like the courageous and the warriors, because these ones will truly know my solace, my love and my righteousness. To them I'll give peace. Come to me today and attend my banquet.

When you turn to the right and when you turn to the left, you will hear a voice behind you saying, 'this is the way, walk in it.' I made your feet to walk on my right ways and gave you my word as a light to guide you on your journey. If you have strayed by wrong paths, this is your chance. Come back to me and I will straighten them. Nothing is too hard that I can not resolve; however I do things along with you. I need you to show me to men and you need me as God and Father. I printed my laws in our heart, in heart of flesh, not of stone, so that my love was the 'spice' of those laws. Let me touch you today and I will rebuild everything that was broken in your life. I love you and care for you.

I know you have struggled against many things that make you feel small and insignificant, which shame you for showing your lack of control in certain areas of your life. It's because you don't yet have my sword to defend you. The sword is my word. I want to put it in your mouth so you learn to defend yourself from the sharpened swords of the enemy. My word is also water of an inexhaustible spring that quenches thirst. It is likewise a seed that if planted in fertile soil will generate large and lush fruit. Come to me today and don't feel rejected or despised. I'll forgive and justify you. I will take the direction of your life and will make you a great warrior, correctly handling the word of truth.

You have great value to me. I paid a high price for you. Think today about what I say and you will begin to understand the reason of being where you are. Don't you feel good enough? Don't you do know why you live? Do you feel the rejection of men? Ponder on what I've just told you, for if I died for you it is because you have a priceless value to me. I'm your strong arm and I will raise you from the ash heap to make you sit with the princes of my people. Set aside the strength of the flesh and rely on my power and you will receive the honor you have sought. Leave aside the strength of the flesh and rely on my power and you will receive the honor you have sought. I honor those who honor me. You honor me when you choose me to be your Lord and God. I love those who love me, and those who seek me find me.

“A certain ruler asked him, ‘Good teacher, what must I do to inherit eternal life?’ ‘Why do you call me good?’ Jesus answered. ‘No one is good – except God alone. You know the commandments: ‘Do not commit adultery, do not murder, do not steal, do not give false testimony, honor your father and mother.’” ‘All these I have kept since I was a boy,’ he said. When Jesus heard this, he said to him, ‘You still lack one thing. Sell everything you have and give to the poor, and you will have treasure in heaven. Then come, follow me.’ When he heard this, he became very sad, because he was a man of great wealth. Jesus looked at him and said, ‘How hard it is for the rich to enter the kingdom of God! Indeed, it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God.’ Those who heard this asked, ‘Who then can be saved?’ Jesus replied, ‘What is impossible with men is possible with God.’ Peter said to him, ‘We have left all we had to follow you!’ ‘I tell you the truth,’ Jesus said to them, ‘no one who has left home or wife or brothers or parents or children for the sake of the kingdom of God will fail to receive many times as much in this age and, in the age to come, eternal life.’” (*Lk. 18: 18-30*)

You who think you have many riches; the interior and material ones. You who think that they give you power, wisdom and respect of your fellow men, hear my voice and my call today, challenging you to abandon false appearances and try my kingdom as it really is. You will know what my power is, my wealth and my wisdom, which may put you above everything that has enslaved you. You’ve heard my voice many times; however, you fear no longer possess what you have at the moment. It depends on where you put your hope and your

safety. Where your treasure is, there your heart will be also. I delight in the prosperity of my servants, however, this still seems a mystery to you. Let me open your eyes and come into your heart. I’ll give you courage and will put in your hands the most precious gift that not even the richest kings can give you: the eternal life. Make your decision and follow me.

“Who shall ascend the hill of the Lord? And who shall stand in his holy place? Those who have clean hands and pure hearts, who do not lift up their souls to what is false, and do not swear deceitfully. They will receive blessing from the Lord, and vindication from the God of their salvation. Such is the company of those who seek him, who seek the face of the God of Jacob. Lift up your heads, O gates! and be lifted up, O ancient doors! that the King of glory may come in.” (*Psalm 24: 3-7*)

Do you want to ascend my holy hill? Meditate on my word and open the gates of your mind to my understanding, and the ancient doors of your heart for my love and forgiveness. In my presence you will discover the truth for your life. I want to be your only Lord.

It is I that fills all things with my presence. In this place of which you say that is desolate, without inhabitants, human or animal, there shall once more be heard the voice of mirth and the voice of gladness, the voice of the bridegroom and the voice of the bride and the voices of those who sing, as they bring thank offerings to the house of the Lord, for I will restore the fortunes of the land as at first. I will restore you and heal your wounds. The house will be inhabited as formerly, and your seed shall be established before me. Your life is in my hands and what I have for you is ransom and restoration.

Daughter, I have seen your fight and your care to keep intact your limits from the aggressions and the external threats. You have wearied in your struggle for the preservation of your space; however, I come today to tell you that what I have to give you is infinitely greater than what you have sought. Give me your life, give me your heart and all your dreams and I'll take responsibility for your safety, as I have done with all my sheep so far. What the Father has given me is greater than all, and from the hand of the Father, no one can snatch. Take care, yes, of your soul, but under my guidance and my love and you will not be ashamed. Don't fear devastation or theft anymore; today I take you for me and you will feel safe forever.

Preserve your heart in purity, simplicity and innocence and I will show you that in them there is strength to overcome all darkness. Many are armed and clothe themselves with armor, but remain defeated, because they become heavy and take upon themselves the wrong armors, not those of the light. Be filled with my Spirit and disarm yourself of the worldly armor. My armor is light and will allow you to move around with skill in the midst of struggles. It's called love. I am Jesus and I call you today to hold my hand. I'll take you to know the love that you have never known and to do my miracles on earth. Don't be afraid, only believe. What I have for you is redemption and restoration in all areas of your life. By confessing me as your Lord, my Spirit will dwell in your spirit to never leave you.

I want to make a proposal that will lead you to make a big decision in your life. I've been watching you and felt the wishes and dreams of your heart. Deliver them into my hands and I will model them according to my will. For now, think of me and the covenant that I propose between me and your soul forever. You'll never feel alone and I will lead you to green pastures and still waters. Fear not, I am with you. I will never leave you or forsake you. No charges will come over your life anymore, for my blood justifies you from all sin and cleanse you from all unrighteousness. Come to me.

Would you like to feel respected and honored? Would you like to feel special to me? Then, show me that you are a warrior, someone who decides to completely change his attitude and take on responsibilities. Show me that you are able to make an important decision that will take you to other spiritual levels and will reveal the path of salvation to all who are by your side. Show me that I'm really important to you and that my sacrifice was not in vain; it was to pay the great price for your precious soul. I've seen your ways, the crossroads where you are, and often, your desire to give up everything. Look at me today and receive my strength and my encouragement to walk uprightly before the world. Wipe sin, injustices and lies out of your life and you will feel loved, protected and restored. Only the strong go through tests; only the warriors can take possession of their Canaan. I have a place reserved for you, where you will be no longer slave of the enemy, but king among my kings. Come to me and let me lead you in triumph.

Till this day you got lost and were never able to understand what happened to me on that cross. It's because you don't still have my Spirit within you, because you never confessed me as your Lord. In me there is no death or doubts, only life and resurrection. Do you want to be born again? Do you want to know why I paid such a high price for you? Would you like to get rid of the evil that tempts you? Do you want to fly free like the birds? Then, let me open your eyes and put in your heart the true understanding of who I am and whom you need so much, in order to continue the journey. You will understand many things, and will know that everything that is happening around you comes from me, moving in your favor so that you come to me and find deliverance. Give your life to me fully and I'll make you see the light.

Don't let the false words of others and the weakness of your flesh make you ashamed of yourself and take of you the contact with my love. Everything you go through will have an end when you learn to bathe in the waters of my word that brings protection to your soul and healing of your wounds. I know that you have faced barriers that seem insurmountable, because you feel lonely and powerless. However, do not give up, hold tight in my hands and you'll feel all the impurities being washed away and leaving your soul forever. Don't be afraid of defiling yourself with the filthiness of the world anymore. The strength of my Spirit in you is your protective shield. Accept me as your Lord and Savior and nothing and no one will snatch you from my hands.

You have heard my call, you have already been in a church, but fear and prejudice have made you turn back. My kingdom is different from everything you knew before. Don't look to men, but to me. When my mouth speaks, my Spirit will testify in your heart the truth of my words, and you will not be deceived, but you will get the understanding you need to walk and have a new life. Don't let human prejudice or religiosity stop you to come to my throne. Don't stay behind the fence looking at your promised land from the distance. Make your decision today; there is much work to be done and every second of your existence is a moment of eternity that I put at your disposal for you to know more of my Spirit. Don't depend on others' opinion to become my child. This is a personal decision, which all men have to make one day. Don't care with the rejection of your friends; they will also come to me sooner or later, because of your testimony of life. You are sheep of my pasture. I call you.

Don't cry because I didn't plan you to captivity, but to climb the high places of honor and victory as I do with all my children. Just be willing to leave the bonds of sin and indecision that make you prisoner and not allow you to walk in my truth. Stretch your arms to me today and I will redeem you from all paralysis and accusation. Come to me, for I say to you: Daughter, your sins are forgiven, your faith has saved you. Go in peace and be freed from your suffering.

Do you want to be cared as a sheep for a careful and faithful shepherd? Do you want to be guided not to fall anymore in the ravines of life that has hurt you so much? So make your choice today. Arise in the middle of the crowd and cry out to me wanting to be my disciple. This is my plan for you long ago. I just have waited for your answer, until you understand the signals that I've given you and the opportunities which have been placed in your way for you to notice that you are mine. Don't flee from my call anymore. Don't be afraid to lose what is precious to you. Leave the selfishness that has prevented you from experiencing true prosperity. I prepared your heart to release my love, but you have fear of being hurt and see your wellspring exhausted. Don't worry about that. Know today that my love is poured into your spirit by the Holy Spirit, the Counselor I send you. However, He can only dwell in your heart permanently when you decide to be my child. I wait for your decision, but don't delay anymore; there is much work to be done. I love you and care for you.

Son, you have already heard my call long ago and received signs from me through the situations that occur in your life, forcing you to take a stand against the evil that tempts you. How much longer will you desire to suffer? How much longer will your spirit be reluctant to declare me as your Savior? Before me every knee will bow and every tongue shall confess me as Lord. Hear my call today and then, yes, you'll feel the peace you seek and the answers you have sought to the existential conflicts that invade your soul. Close your ears to the misleading voices and open your heart to my truth. Come to me and I'll make you a fisher of men.

Where my Spirit is there is freedom. I have a new proposal to make you so that you know my real image, no longer the deformation and the distortion that the evil one implanted in you. Hence, be willing to leave the past and all you once knew, so that before my throne you begin to hear my voice and know that my teaching is pure, simple and true and nothing will be able to remove it from a humble heart who believes in me; your unconditional surrender by faith is enough and my Spirit will comfort you from the afflictions that you have been through and the affronts that you have heard. I know and search everything. I delight in the sincerity of heart, so I have called you to be in my presence and seek me. You have felt this in your heart, but you don't believe that is my voice speaking. Stop now where you are; quiet down your soul and know that I am God and make justice on earth. Those who come to me, I will never drive them away.

Daughter, come to me and I'll show you my power to transform your life in everything that you have desired some change and ransom. Remember that without me you can do nothing. Don't rebel against my will, because without obeying me, you'll never get the victory in nothing you wish to perform. I am your light and your salvation. Search me and you will find me when you seek me with all your heart. I know the thoughts I have about you; thoughts for your welfare and not for harm, to give you a future with hope. Throw away anxiety and false needs. Cast out the rebellion and prejudices that prevent you from hearing my voice and receiving my deliverance. You are mine, but you will only realize this when you receive me in your heart as the only Lord and Savior. I'm stretching my hand to you today for you to hold it and receive eternal life.

I'm waiting for your cry for help to be able to act powerfully in your life. So put aside the independence of your flesh that, until now, only has put you in trouble. You know you need help and I offer my strong hand to hold you and to help you walk safely on earth, through all the situations you have to go through. You have sought help in the wrong places and start to feel the frustration of not having anyone to trust anymore. I'm the only one who knows your heart and am willing to help you in everything you need. I'm your strong arm. Surrender your life to me in the certainty that I will never drive you away and you shall receive the power to become my child. Answer *yes* to me and you'll see what it means to be free.

You will only feel free of yokes and bondages when you let me be part of your life and your projects. I know you have dreams, but I want to shape them so that they are in perfect harmony with my will, because when they are in my hands they acquire a new color and a new strength. Don't cry for what has no value. If I have taken something of your life it is because it no longer suits you. What you have been through is a way to bring you to me and give you my fatherhood. Stop, now, where you are and lift your thoughts to me. If you believe that my sacrifice on the cross was to save your soul and free you from eternal fire, come to me, declare me as your only Lord and Savior and you will never know death. On the contrary, you will feel like a new creature. You will receive my certificate of fatherhood over your life and will know that you are being guided by a bigger and better father. I protect you and free you from all the attacks and provide the power and authority for you to fight and win.

Daughter, I have big plans for your life, so I come to you today making you hear my voice. It will be clear to your heart and you will no longer hesitate in your choices as you have done so far. The most important choice is the one that I put before you again, because all the others will depend on it. I have chosen you to be my peacemaker on earth, in places where there is contention and separation; however, you will only be able to perform this mission successfully when you decide to give me your life. I want to be your Lord and Father, your Master and Savior, your friend and companion. You are important to me. I know the gift I put in your heart and know that it is time for it to be awakened and be used by my Spirit. Don't refuse to use it because with it I will place you on the heights where I usually put my kings and my children. Respond positively to my call and you will know what achievement is.

Do waters look deep and wild around you? Stop at this moment and meditate on how many times I have tried to talk to you, seeking your salvation, your healing and your deliverance. Many times you have entered in other boats because you had curiosity to travel through several places, but they didn't lead you anywhere and only brought unrest to your soul. So cry out today to me and I'll hear, I will stretch out my hands in your help and will calm the fury of the storms you have faced. The only thing I ask from you is loyalty and obedience, so that you no longer are swallowed by the waves of death. Pride and rebellion only move you away from me. Repent and turn your eyes and your heart to me. Change your attitudes and take the definitive commitment with me and then you will know peace.

Daughter, I know that you have fought to preserve your emotions from the affronts and humiliations you have lived, but don't trouble your heart with what has no value or leads to salvation. Seek your balance in me and you will see that is no longer necessary to spend your money with experts, medicines or with false teachings that lead you to exchange your inner darkness by others worse. You have looked at many fanciful solutions that are offered to you, but you have seen that none of them is real. The first thing you have to do is to stop waiting for quick and easy answers, because they are lies that give you a false hope and later will lead you to frustration. Only I can do the healing of your soul, and I will do it slowly and gradually, in my time, because the works I do, I do them accurately, shaping them with care and transforming them into vessels of honor for my glory and praise. I am the potter and you are the clay. Remember that I made the world in seven days so that my work was perfect. Leave aside anxieties and pride, which prevent your ears from hearing my voice. Who walks under my time does not suffer, but discovers that it is an essential factor of learning and experience. So, calm down and know that I am God. All that I decide I do; and your time is to receive me as your only Lord and Savior. When you do that, I will drop the anchor of your ship and a new voyage will begin for you.

My daughter, see that today I offer you a new life so you may start your way again under other values. Think about where you lost innocence, purity and ceased to hear my voice and I will redeem you and I will make you a witness of my power on earth. I created you for holiness and truth; therefore, leave aside everything you have done so far and receive me in your heart fully. My Spirit will resurrect my dreams in you and will shape yours again so that you may be a winner. Nothing is too big that I can not give you if you stay in the center of my will. You are mine, but have not yet decided to take on your calling. Stop where you are and make the right decision to walk in my ways. I cannot be conniving with sin. That's why you seem not to feel my blessing upon you. By declaring me as your only Lord and Savior, my Spirit will dwell in your spirit and you'll receive from me a new life.

My son, if you want true life and to see resurrected in you the love that you felt one day, come back to my ways and I will bring you back to the inexhaustible spring of life that flows from my throne. I know you have struggled to regain what you lost, but remember that without me you can do nothing. Seek me with all your heart, resume your covenant with me and I'll show you that you are more than conqueror. The gift is irrevocable. Even though it seems to have been stolen from you, cry out to me and I'll teach you how to revive it. Nothing can separate you from me. Confess me as your only Lord and Savior and firm yourself in this covenant till the end of your life. I will never leave you or forsake you.

My kingdom is a place of peace, where my light shines forever upon all those who receive me as Lord and Father. I have called you to participate in my bountiful table, where you will have not only the sustenance you need, but will also receive the power to be called my son, exercising authority over all evil. In my presence you will find comfort and will discover the boldness you need to carry out my project on earth. Don't hesitate; don't find excuses to escape my choice. I have the best in store for you. Let me come into your soul and you will no longer feel loneliness or fear. I'll be with you everyday of your life.

From whom do you wish to learn the truths of life and the things of the Spirit? Know that only in me you shall find the answers you have sought. However, let aside the unrest and anxiety because they prevent you from hearing my voice inside your heart. I've called you many times, I tried to talk to you, but you still give much value to the mundane demands that only make you think about productivity. In my kingdom, things are different. There is no importance in quantity but in quality, because as the same way I gave myself entirely for you, I want your exclusive dedication. My Spirit is jealous of you and will not share you with false gods. Recognize the lack of your soul and admit that only I can fill it and you'll discover what I have for you. Accept me into your life and everything will be different.

Son, I chose you before you were born to be mine and carry my name to all nations. However, you have hesitated in your spiritual choice for fear of losing what is valuable to the world. Don't let lies and confusions involve you. Only I know the plans I have about you; plans for your welfare and not for harm, to give you a future with hope. First, make a covenant with me to accept me as Lord and Savior of your life and I'll teach you to be a true warrior. You have been fighting the wrong way, so you have lost the battles. I am your Father, Shepherd and Lord and you will obey only me. Make your decision now, because I have great plans for you.

Daughter, I have a place waiting for you close to my heart, where the pettiness of the flesh will no longer be able to delay your walk, nor the threats of the enemy will touch you again. Lift up your head and look at what I put before you. It is the immensity of my Spirit that comes to supply all your needs, revealing to your soul my real reasons for having placed you where you are. Fear not; just make the main decision of your life that is to recognize me as your Lord. The other things will fit perfectly and you'll see that walking beside me, more than overcome difficulties, is to live the fullness of my love.

Why are you so afraid of misery and hunger that you forget my power? I know you've went through hard times, however, wasn't I that sustained you? Therefore, change the course of your existence, giving me all areas of your life without fear, because the teachings I give you will lead you to the knowledge of my word and to experience my glory over you. More than help you, I want to reveal you the mysteries of my kingdom, so that you have authority over all things that have already tried to prevent you from receiving salvation and healing. Come to me today and firm yourself in my hands. My solace and my safety will never depart from you.

I'm the one who fills you with my presence and stops the bleeding from the wounds made by the enemy in your life. What I ask of you is only a time to be in my presence, because today I have a proposal to make you: do you want to be healed? Do you want to have a solution to the problems that surround you? Declare me as your Lord, and the blood I shed on the cross will come upon you, closing the gaps left by sin. Think of what I say and be free. I have much to give you back.

If you want to know the truth, if you want to know who you are and who I am, look at me and receive today my revelation. You are called to be sheep of my pasture. There is no other God beside me and there is none in whom you may rely on. I'll be with you till the end of time and will never forsake you wherever you go. Come to me, deliver me your life and I will carry you in my arms when the burden is too great for you. I want to make of you a winner and a sheep of my flock.

Do you have exhausted your strength with something that does not bring you happiness or fulfillment? So stop and think: maybe it's because I'm not in your boat and you have no more strength to row alone. Today, I call you to go up into my boat. I'll take you to fertile waters and completely new and you'll discover treasures that you never thought to exist. Extend me your hand and leave your past. Seek what is new and be my child. Then, you will find out the truth of my project for you.

Do you want to know how much I love you? Do you know what I did on the cross for your life? Seek my presence through my word. You have already opened the bible once, but for you it seemed a closed book where the letters meant nothing. It was because the time hasn't yet come to hear my call. Today, however, it's your day to hear my voice calling you to be a sheep of my big flock. I'll be by your side to teach you and to instruct you and you will never feel forsaken. Don't resist my voice; don't harden your heart, for in this moment a great opportunity for your life it is being opened. I am the door and whoever enters through me will come in and go out and will find pasture. My sheep hear my voice.

I am your strong tower where you can find shelter from the onslaughts and accusations on your life; however, today I am making a proposal of a permanent deliverance from all that weighs against you. Know that I came into the world to remove all sin and all the curses due to it. Just declare me as Lord and Savior to achieve a lawyer in heaven, who will release you from all condemnation and will give you victory in all your causes. Remember what you have done that displeases my heart. If you can't, think about the times when sorrow invaded your being and the remorse saddened your soul by acting rashly without consulting me. Then you will have the revelation of where you fell and need my forgiveness, my healing and my deliverance. All things are lawful, but not all things are beneficial for you, because they go against the divine nature in you. Come, today, to my altar. I'm waiting for you, not to condemn you, but to deliver you from the eternal fire.

You still don't know me or imagine what my anointing means, but know today that it is the power of my Spirit released to break every yoke that weighs over your shoulder because of the sin of idolatry. Leave the false gods who surround you and you will see that the one who is in you is greater than the one who is in the world. I didn't create you for the captivity, but for freedom. If you want to be free, hand me your life and confess me as your only Lord and Savior and you will know the new birth.

My word says: “Blessed are the peacemakers, for they will be called children of God.” Have you worried about the lack of love and solidarity around you? Have you cried for a radical change in your relationships? Have you desired peace in your life? Know that this is also my wish for you; so, I come to tell you that this is possible, since you make a definitive spiritual decision. Many speak of love; many preach in my name; however, they don’t have the mark of my blood on them, for they don’t assume the commitment of loyalty, which is to live my word for the rest of their lives. Confess me as your only Lord and Savior, leave everything else that surrounds you and I’ll make you start all over again, turning you into a peacemaker. Don’t be afraid, only believe. I am your God, and my Spirit wants to make permanent dwelling in you.

Daughter, don't fear if the journey seems difficult and the giants that you have to overthrow seem big. If you are strong and you make the right decision concerning me, everything that was crooked will be made straight, because I will reveal the true strategies to put all the obstacles under your feet. I am the only Lord and you are sheep of my flock. You have heard my voice, but you fear to take a stand concerning the things that you have committed to. Know, today, that my strength is greater to release all those who seek me in spirit and truth and take on the divine adoption that is given to them. Take your position, if you really want to win, and everything else I will do, so that you know my love for you and my power in your life.

What I want most is to have you in my arms and carry you as my child, removing from you the pain caused by your sins. Don't fear to get close to me, because what I wish is your restoration. You will no longer feel alone and isolated, thrown away from my presence. Today, if you seek me with all your heart, I will bring you to my kingdom where I will change your garments of mourning for garments of praise and will take away from you the spirit of anguish, restoring in your being my spirit of joy. Don't delay. It's your turn and your hour of being cleansed and justified. I call you to be my child.

My sun will shine forever on your life when you decide to leave the old and known things and turn to me in search of the true light of understanding. I tell you today: get out of the past, the bad experiences, resentment, wounds, strife and the sinful wills of the flesh and come with me to a new land where everything you want is possible. You will be holy instrument to open the eyes of the blind, to give my life to the dead in spirit, to make the tortuous ways straight and to repair the breaches in the walls of the souls of all those affected by destruction. You will understand my word and it will be alive for you, it will spring up from your lips like waters that can not be withheld and will flow as an inexhaustible fountain, able to quench the thirst of many. Does my project look big to you? Well then, make your decision to belong entirely to me; there is much work to be done.

Daughter, often you resent for being unrequited; however, are you sowing according to my will and desire, releasing the seeds, instead of wanting to pull them back wishing to see the fruit? Think today that people are not money that can be manipulated like a saving account, from which one can withdraw later. If the true love is lacking in your sowing, you will reap nothing. If you have needs that are poorly met and inner wounds unresolved, leave aside the reasons of your flesh and put yourself on my dependence and I'll teach you to love with my love, without yokes, burdens or manipulations. When the seed of love is healthy, it does not die, but sprouts abundantly. If you have no return on your plantation, maybe it's because the seed is sick, not able to germinate due to the weeds of bitterness, resentment, grudge, hatred, selfishness, slander and envy. Let me treat the land of your heart; accept me as your only Lord and Savior and you will never see death, neither in your soul nor in your work.

Today, when you hear my voice, don't harden your heart, for you know how much you need of help and rescue. You have heard my call many times; however, you always find an excuse not to take on a real commitment to me. How much longer will you desire to suffer? How much longer will I have to wait for your answer? Know now that several times in the past, many children failed to receive my blessings because of the rebellion and they died due to their sin. Don't miss the chances that I have set before you, for you don't know what comes tomorrow. I rule and have dominion over all, but I also know how to deal with children that don't value my salvation. Arise and make your decision today. I'm waiting for you. Do not provoke me to anger.

Seek me with your whole being and I will make myself known in a way that you have never thought to happen to you. You don't really know me because you still have within you many misconceptions about who your God is. But remember that only one has the power to give eternal life and the chance to start all over again. I have heard the hidden cry of your heart; however, my wish for you is much greater than just listen to your moans. It is to talk to you every day as a father to a son whom he loves. My Spirit will be poured on your soul, and your mouth will be an instrument to show my glory and my liberating power on earth. No one shall be able to resist you all the days of your life, because I'll be by your side throughout your journey. Simply declare me as your only Lord, and submit to my treatment and my guidance. You will no longer be afraid of death; on the contrary, you will be one more heir of the eternal life, which I grant to my beloved children.

Daughter! Often it seems to you that your paths lead you to closed doors and places empty and devoid of beauty. Maybe it's because you have walked alone without my presence. My word says: "There is a way that seems right to a man, but in the end it leads to death." Perhaps, the paths you have walked have led you to frustration, depression and deceit and have made you waste your time with something useless and empty. Stop, now, where you are and raise your eyes to my light. I'll hear your cry and will walk beside you to redo your walking. I do new things every day. I transform, restore and give life to everything. Hold my hand and you will see my care for you. You are precious to me and I don't lose anyone the Father gave me. You are mine and today I take the reins of your carriage. I'll teach you to drive it and I'll take you to a land flowing with milk and honey. Before you were born I swore that I would rescue you if you sought me. Today you seek me and I will fulfill my promise.

In the middle of Eden I put the tree of life, but my first children didn't notice it, and chose another, more lush and fruitful. They realized the mistake; however, it was late and the bad fruit that they ate killed them spiritually. My Son came into the world to restore the covenant with me and to open the way to Eden again to all who long for the unity and perfect harmony with their Creator. Give your hand to me and I will lead you back to the state of wholeness and harmony, to your original state of perfection. Let me come into your life and be your Lord. You will never know death and I will give you the eternal life. I'm Jesus and I call you.

My waters and my blessings are available to all equally, but some choose to be green and fertile; others, dry and barren. Son, I've called you to leave the world and the vain things, you have heard my call; however, you're afraid to leave them. You still do not know me truly. If you knew me as I really am, you would know freedom and abundant life. In me you'll have protection and dominion over everything that has enslaved you. Make your decision today, because there is much work to be done.

Epilogue

I hope you have met Jesus in some of these messages, understood the value of the salvation of your soul and the price that was paid for it. Walking with the Lord is often not easy, as it requires surrender, self-denial, a willingness to serve and to love God and neighbor. More than that, it requires an unshakable faith and perseverance from us, because we even think of giving up the kingdom of God when the war against evil seems to lead us to our spiritual, emotional and physical limit. However, Jesus told us that the door would be narrow, that is, it would not be as easy as people think, because it's no use to give ourselves to Him by half, or deceive ourselves, thinking that only good things will happen in our lives. On the other hand, the gospel is not a constant 'valley of tears'. At the same time that it trains us to be warriors, teaching us to have responsibility to achieve our blessings, it give us the great privilege to freely enter the throne of God to ask what we need, being sure that we will be answered. The word of God is our strength and our defense against the invisible things that carnal humans can not understand, that is, those who only care about what they can see, feel and touch. As children, we have not only the protection of our heavenly Father, but also 'the badge' of His ambassadors here on earth, by the power that is delegated by Him in the person of the Holy Spirit for us to accomplish the same miracles that Jesus did. Above all things, we gain eternal life, instead of spend eternity apart from Him. So, do not postpone this choice in your life. It is the most important choice that a human can do and it is individual and non transferable, since it depends on the free will of each one of us. May God bless you and give you the answers you need to make a conscious choice in this regard.

May the peace of the Lord make you see the true gospel of Christ through the point of view of a child of God, reading the bible and receiving His revelation by yourself, free from human religiosity and idolatry that assume an air of holiness and truth. The time we have is precious and can not be wasted. Wake up for *LIFE*.

I love you in Jesus.
